**Casa Deep Woods**  
Masinagudi

A silhouette illustration of a jungle scene. In the center, a wooden signpost with an arrow pointing right is mounted on a post. The sign features the text 'Casa Deep Woods' in a stylized font, with 'MUDUMALAI' written in smaller letters below it. A monkey is perched on top of the signpost. To the left of the sign, two tigers are standing on a rock. In the background, there are silhouettes of trees, a large branch, and a bird flying in the sky. In the foreground, a stream flows from the right towards the center, with a path leading to it. The entire scene is rendered in black silhouettes against a light green background.
